Final payment

Final payment is to arrive not later than 28 days before your arrival date and this date is clearly noted on your confirmation letter. Please note that charges are in euros and you are advised to send a bankers draft for both deposit and final payments. Alternatively, a bank to bank transfer is accepted on condition that all transfer fees are paid by the clients, please request banking details

***Please note that Lloyds, HSBC, First Direct, Co-operative banks are all fine but with National Westminster and particularly Barclays you must specify an International bankers draft and not an international money order, that it should be cashable in France—usually Paris and not in England mostly London and that these cost approx £15 (not £8) and normally takes three working days to be prepared, needing to be ordered by your local branch from Poole in Dorset.*

Cancellations

If for any reason you have to cancel your booked holiday please do contact me as soon as possible and I will endeavour to rebook the period. If you cancel your booking I reserve the right to withhold the full deposit paid, however if I am successful in rebooking the farmhouse then your deposit will be returned less any additional advertising costs. You may also try to rebook your own holiday under the same terms and conditions.
